KNOW SOMEONE WHO NEEDS A CAREGIVER?

Does anyone need, or know of someone who needs a caregiver for an elderly or sick person or for younger children? If so, please contact Sr. Lesley at 204-942-5535. The woman-caregiver is a registered nurse from India. She is 29 and speaks English well. She is friendly and open. Sr. Lesley would absolutely hire her if there was a need.

LEGACY OF CARE, COURAGE AND COMPASSION

The video released on November 6th, ***Soul Sisters, The Catholic Women Religious of Manitoba***, is available at the provincial office. Congratulations to Sisters Carol and Lesley who did us proud! A video of the ***Commemorative Monument Celebration*** at the St. Boniface Heritage Garden in June 2016 is also available. Sister Cathy represented religious congregations so well!

WELCOME HOME DINNER, HOUSE OF PEACE, NOVEMBER 7:

It was great to be with 950 friends and neighbors gathered for dinner. Thank you Sister Lesley and all who contributed to this inspirational event!

Marlene Coughlin, associate, received \$400 to put towards an **SNJM Associates Raffle gift for the House of Peace Annual Dinner**. With that she was able to purchase a bicycle, helmet and lock at Corydon Cycle. The lucky winner was Bernadette, master chef at the House of Peace! For 5 years, Bernadette had been putting all her raffle tickets towards a bicycle. Excited, she jumped up and down... and rode her bicycle home to Colony Street after the dinner. You have made a wonderful young woman very happy. Many thanks to associates for their generous donations! Marlene

PLEASE REMEMBER IN YOUR PRAYERS:

For those who have died and those who mourn their loss:
