Can you help?: "Sisters and Associates – I am collecting information, during the **month of June**, for an article that looks at the 'mission' of our Holy Names in the area of assistance to **Immigrants and Refugees** in Winnipeg, the province of Manitoba, Kenora and elsewhere, not just now but in the past. Sr. Judith Anne Kenway, snjm, taught English to newcomers for example. Do you have experiences or photos to share? If anyone can help with memories or other information, I can interview you or we can correspond via e-mail. Many thanks in advance for your help. **Please contact Chris Butterill at:** christine.butterill@umanitoba.ca or (204) 269-2750."
