### **IN SOLIDARITY WITH OTHERS:**

**Human Trafficking: Canada's Secret Shame:** The Joy Smith Foundation has produced a documentary about human trafficking today in Canada, and the work of the Foundation and others to suppress it. It is an authentic story told by experts across Canada. Directors of leading NGOs speak about rescuing and rehabilitating survivors. A police officer talks about taking down trafficking rings and bringing perpetrators to justice. A reformed trafficker tells how he lured young girls into the sex trade. A parent whose daughter was trafficked recalls the heart wrenching agony of what he and his family went through. A survivor of human trafficking tells her story.
