

POT-POURRI SNJM

November 15, 2017

SNJM EVENTS:

Holy Names Cottage: As of November 20, Sr. Edith Grenier becomes the contact person with Larry Monforton. Please contact Sr. Edith if you notice any repairs needed. In case of emergency, you may phone Larry directly when you're at the cottage.

Sr. Jeannine Vermette moved to suite 703 at Châteauguay. The rest of her address and her phone number remain the same.

St. Pierre Church on Sunday November 19, 2017: A festive mass is planned to mark the 140th anniversary of the parish as well as the 70th anniversary of the town. The celebration will begin approximately 20 minutes before the 11 AM mass. The SNJMs are invited to join the parish community to celebrate. Thank you, Sr Yvonne.

SNJM Sisters who came from St-Pierre: You will find a list as attachment. **Enjoy!**

PLEASE REMEMBER IN YOUR PRAYERS:

The sick and those who are in need:

- The Refugee Committee asks that you please continue your prayers for the **Tartin Refugee family** who is still in Egypt waiting to come to Canada. Ana and David are an Israeli couple who have befriended Roni Tartin and his family. The situation in Egypt is getting worse and Ana and David are concerned about the length of waiting time they are facing. Unfortunately they've had no success to date.

Those who have died and those who mourn their loss:

- Please pray for Catherine Danylchuk who died recently. She is the mother-in-law to associate Louise Danylchuk.

IN SOLIDARITY WITH OTHERS:

Tom Jackson Christmas 150 Concert...Do you have your tickets yet? Thursday December 7th, Alumnae Hall, SMA. All proceeds to Winnipeg Harvest. Tickets online at smamb.ca. \$40. Doors open at 6:15 pm with show starting at 7 pm. Approximately 75 minute show with light reception to follow.

Christmas Gifts: (Quebec Communications) Coffee, chocolate, rice, sugar and spices come from the South, but the producers of these products live in miserable conditions because of fixed market prices. As a Christian community, let us take note of Jesus' words: ***The labourers deserve their wages.*** (Luke 10:7). Think of Fair Trade gifts available at various places, such as: [Ten Thousand Villages](#).
