Thank you for the prayers for my mother. The test went well and without any complications. However they will not insert any stents even with the current blockages. My mother is a little discouraged with the situation fearing that she will have continued pain. Please continue to pray for her. Thank you. Yvonne

PLEASE REMEMBER IN YOUR PRAYERS:

Those who have died and those who mourn their loss:

- **Georgette Jones**, sister of Sr. Hélène Rousseau, who died in British-Columbia at the age of 90 years.

Pope Francis. (Share Lent resources)
